## Work-Life

Ersa Work and Ersa Life series focuses on creating user-oriented living and working areas by understanding the benefits and technological developments of our age, where comfort is at the forefront, blended with simple lines and delicate details. We evaluate all architectural stages, without preventing the colors from speaking to each other in a poetic language, by considering the needs of the space we offer you space setups where you can get maximum efficiency in both living and working areas.

## About Ersa

Ersa, since its foundation was laid in 1958 by Metin Atabey Ata in a metal workshop in Sivas, has become one of Turkey's largest furniture manufacturer with its inovative and high-quality products and exportation to 41 countries across the world. While continuing its design and innovation-oriented growth every year, Ersa celebrated the 60th anniversary of its establishment in 2018, with a product range developed for workspaces as well as living spaces.

# OPERATIONAL

## HIGHLIGHTS

### Highlights

#### TUANA OPERATIONAL DESK

*Tuana operational table series adds an elegant look to the area that it is used in, with its thin table top and special leg form and single, 2-4-6 seating usage.*

#### JOGA TASK CHAIR

*With its minimal and rounded back design and technical features and with plastic and chrome leg alternatives Joga offers a personal comfort experience to its user.*

#### PREMIER CHAIR

*Developed for the meeting and seminar areas, Premier chair with its wheeled alternative does not compromise its comfortable structure even in long-term use with its depth and back height.*

#### SCROLL POUF

*Contrary to its plain form, Scroll, which has a hypnotic effect with its spiral pattern on the seating surface, is a dynamic pouf series developed in different height and sizes.*

## Common Spaces

Bringing a useful and customizable interpretation to today's definition of open office, Cabina helps you to fit both your home and your sitting area in a cabin, easily.

**The most comfortable  
promotion i've ever received  
in my life.**

My new Idan sofa has  
a great contribution.

## Dining

Linje dining table is designed to fit as many people as possible without taking up too much space in the room. Its minimal yet sufficient triangular metal leg structure is inspired by the linear movements of the stars and creates a true sculptural elegance in the space. It has oval and round table top options with various dimensions.

**The most stylish table reserved for me in every meeting.**

My new Nox table is perfect for both.

# Sleeping

With its body and headboard, which can be upholstered with fabric or leather upon request, Chicago bed has a technically rich design with its mass form that sits on the floor, the gap structure on the edge of the mattress and stitching details. In addition to its technical features, the Chicago bed, which covers a large area with its massive form, has a sculptural elegance.
